

STANDARD PROCUREMENT DOCUMENT

Prequalification of Bidders

SAMPLE FOR REFERENCE

Asian Development Bank
May 2014

Foreword

This Standard Procurement Document for the Prequalification of Bidders (SPQD) has been prepared by the Asian Development Bank (ADB) and is based on the Master Procurement Document entitled "Prequalification Documents for Procurement of Works", prepared by multilateral development banks and other public international financial institutions which reflects the majority view of these institutions. This document has the structure and the provisions of the Master Procurement Document, except where ADB-specific considerations have required a change.

This SPQD facilitates prequalification of bidders for large and complex civil works contracts, and contracts for technically complex plant. This is to ensure that only firms with appropriate experience, a proven track record, and necessary annual turnover, which are free of any major pending litigation, if applicable, will be invited to submit bids.
